PREMIUM INTERIOR WALL FINISHING

THE MARBLE LOOK. THE WALL FINISH.

A complete Supply & Apply service for selected plastered interior walls.

THE SERVICE

One material system. One coordinated team.

PRO GLOSSY is a premium decorative wall finish applied in two coats, patterned with putty blades and refined by sanding, waxing and wool-pad buffing.

01

Consult

Share site photos, location and the required finish area. Our team checks the scope.

02

Prepare

We assess the plastered substrate and agree the finish, pattern and schedule.

03

Apply

Trained applicators use putty blades to build the marble-inspired pattern.

04

Refine

Machine sanding, finishing wax and buffing deliver the intended look.

COMMERCIAL AND ARCHITECTURAL

A considered finish for standout interiors.

Ideal conversations begin with your design brief, wall condition and required
